I/We the undersigned Parent or Guardian's Printed Name's parent(s) or guardian(s) of Camper's Name a minor participating in the 2021 ROE Construction Camp, do hereby authorize the participation and attendance of the said minor in the camp on the CEO campus, and all activities in connection therewith, conducted under the auspices of the Madison County Regional Office of Education. I/We understand that as a construction camp participant, my said minor will be involved in the use of hand tools, battery operated tools, electric power and pneumatic tools, including saws, drills and other related items, as well as using a ladder to perform various construction tasks such as framing, siding, roofing, and other related activities. As a participant, they will be required to attend all instructional lessons and safety demonstrations, along with passing a written safety test over these materials. Upon the completion of these training items my minor participant will be required to demonstrate to the lead instructor, through one on one observation, the ability to safely and competently set-up, adjust, operate, and shut-down each power tool prior to its use. I also understand that camp instructors reserve the right to disqualify any participant from performing these activities if at any point he or she does not comply with all safety protocols.

I/We have been fully and completely informed and advised regarding the nature and purpose of said camp and the activities conducted therein. It is my/our full and free decision to allow said minor to participate in this summer academic camp.

I/We certify that said minor is in good health and does not have any condition or is on any medication that would inhibit the ability to safely operate construction tools or work from ladders and rooftops while completing construction related activities.

I/We hereby authorize the directors of the Camp to act for me/us, according to their best judgment, in any emergency requiring medical attention. I/We understand and agree that camp instructors, counselors, and staff may need to contact appropriate emergency medical providers regarding said minor. I/We give consent for any medical treatment (i.e., diagnostic, therapeutic, and surgical procedures) that such medical providers may deem necessary with the understanding that the cost of any such treatment will be my/our responsibility. I/We understand that my/our consent will allow procedures to be promptly carried out so that no unnecessary delays will occur with treatment. No operation will be performed, **except in extreme emergency**, without me/us being contacted and fully informed and consent obtained.

I/We also understand that the camp director/staff has the right to dismiss said minor from the camp and send him/her home without refund for damaging property, inappropriate behavior, or misconduct, and that I/we may be billed for damages to school property, lost property, or other replacement costs resulting from theft or damage to property.

I/We agree to allow photographs of said minor taken by the camp director/staff during the course of the camp to be used in camp publicity, including display boards, booklets, brochures, and online.

In consideration of the ROE accepting and permitting said minor to attend this academic summer camp, I/we do hereby, for myself, my family and anyone entitled to act on my behalf, release and discharge the Madison County Regional Office of Education, its Board of Trustees, the County of Madison, and the State of Illinois, employees, agents and camp affiliates from any and all claims or causes of action, in the absence of gross negligence, that may arise during or as a result of said minor's attendance and participation in this summer academic camp.

My/our signature(s) on this Parental Consent Form and Waiver of Liability Agreement signifies my/our understanding and acceptance of the terms and conditions set forth therein.
