

Dr. Robert Daiber, Regional Superintendent
& The Madison County ROE present

Fractions – The Whole Story (3rd Grade)

Who: 3rd Grade Teachers

When: Tuesday, October 14, 2014

Where: Illinois Heartland Library System
6725 Goshen Rd., Edwardsville

Time: 9:00 a.m. – 3:00 p.m.

Cost: Madison County PD Co-op members: No Fee
All others: \$50
(lunch is on your own)

PD Hours : 5

Presenter: Joan Barrett

One of the major focuses of third grade is fractions – specifically understanding unit fractions, notations, the size of each fraction and comparing fractions. During this workshop teachers will learn about the content related to each 3rd grade fraction standard as well as experience aligned activities they can use with their 3rd grade students. These activities will provide students with much needed practice and a deep understanding of fractions. Each teacher will receive a copy of Marilyn Burns' book *Lessons for Introducing Fractions*.

Madison County Regional Office of Education Workshop Registration		Please return to:		School Improvement Services 200 Clay Street Edwardsville, IL 62025 (618) 296-6444
